Dear Mr. MacPherson,

On behalf of the Alexandria Chapter of the National Organization for Women, I would like to thank you for having our flyers at your club for publicity for our fundraiser party on June 4th. We were very sorry you were unable to come. We were looking forward to having you with us. Your contribution helped make the party a big success; we raised over \$1000 for Virginia NOW PAC.

We greatly appreciate your generosity and support.

Sincerely yours,

Emily McCoy
