Dear Mr. Zaid,

The Avis group at Dufour Garage  
asked me if I was pleased with the  
service there.

I must say it is the best of  
any Avis Rentals that Mr. Allen and  
I have come upon.

Your manager Ray is superb  
and a nice gentleman. Joyce is the  
best and quickest girl you have ever  
had there.

They do have excellent  
assistance from the boys in the

Barabe, such as Willy, Ruby, Harry and  
Eddie - we have been users of the garage  
for 31 years -

However, it would be nice if your  
main office would be efficient on  
their bills - we rent a car for 4  
months in summer which we garage  
there. It was over the rental in  
September and we are still being billed  
monthly - Roy now has taken over  
with the problem -

But be aware of how very nice  
everyone is at 8310 -

Sincerely

— Mrs Edward Allen.
